## **Rules and Regulations**

Members must familiarise themselves with the following rules and regulations prior to playing on St. Vincent's tennis courts.

General rules and regulations are displayed on signs on the court fence and on the clubhouse notice board.

Keys: Keys can be obtained from one of the Committee Members listed overleaf. The key must be returned to that key holder after use. Keys for lights can also be obtained from the listed Committee Members. Court keys may be purchased from the Treasurer for \$20.

Use of Courts: During the daytime, courts may not be monopolised by singles games if there are other players waiting for a set. Two waiting players are to be invited on to join in a doubles game.

Use of Lights: Courts may be used at night except for Sunday and during competition nights. If using only one court, Court 1 is to be lit only (see instructions next to light switch). A full hour is permitted without having to make way for other players even if a game of singles is in progress. The use of lights costs \$10 per hour and can be paid to the Treasurer.

Behaviour: Misbehaviour, bad language, abusive language, racquet abuse, ball or other equipment abuse and unsportsmanlike behaviour will not be tolerated. Likewise, coaching or audible derogatory remarks from the sidelines during competition is unacceptable. Failure to comply with this code of behaviour will result in disciplinary action by the Committee.

Membership Fees: Payment for renewal of membership is due and payable on 1 July each year. Late payment may incur the payment of re-joining fee.

Visitors: A member may invite only one non-member onto the court to play. This can be on an occasional basis only. A member may not invite a non-member to play on a regular basis.

Clubhouse Phone Number: 9351 0136

Good Friday: Courts are not available for use on this day.

Competition Players: Players cannot represent St. Vincent's in competition without being a proper financial member of the Club.

Mobile phones may not be used on or around the court area on competition days while play is in progress.

Correct tennis attire as set by the V.T.A. dress code is the only attire acceptable for competition. A copy of the correct attire is on display in the clubhouse.

Use of Barbecue: The gas barbecue can be used by any adult member. Keys to the barbecue and clubhouse can be obtained from Committee Members and must be returned as soon as practical after use. The barbecue, its surrounds and clubhouse must be cleaned after use.
