

# Newsletter 5

The NSNTA Autumn Season is now over and we won ONE flag. Congratulations to the Mixed B Res 2 team comprising Gina Brandis Agatha D'elia, Tannith Galliot, Lisa Harrington, Liz Mazzei Sue McNulty, Tracey Spitaleri, Simon Frazer, Steve Moorhead, Michael Sargent and Jonathan Staton.

Over Easter some of our members travel north to try their luck at tournaments. Clare and Warwick Martell, Mary Walker and Joanne Wood at Corowa, but the opposition was too good, but it was better news at Boort where Simon Frazer won the A grade Mixed doubles.

This season our coach Courtney has entered a team of boys in the NSJTA competition, the boys are Henok Carney, Nicholas Marini and Troy Smith. Zachary Jensen, this could be the start of a long career in tennis.

Since the last Newsletter, Eric Parker passed away. Eric was the Treasurer at our club for nine years.

In the NSLTA both Sections made the finals, but found the going too tough on the day, still a good effort to have 2 out of 2 in finals.

Mark and Mary Roberts have settled well into their new surroundings in Vietnam and have had a visit from Anne and Andrew Naughton as well as Bev and Mick Leyden. Pauline and Rob Moore travelled to Singapore to visit Bev and Mick Leyden, who are soon coming back to live in Strathmore. Pauline and Rob are away for quite a few weeks to catch up with Sarah in the UK.

New members joined since the last Newsletter are Mark Hycenko, and Zeng Xiong (Paul), Hong Lin and their 2 children Susan and Matthew and Reece Kimpton has returned to play competition.

The social tennis between the Autumn and Spring night seasons has started and the success of this event is shown by the response this year with nearly 50 members participating, the tennis is good and so are the refreshments.

Russell Jensen has done a wonderful job organising this huge event, there sometimes vacancies with people having to pull out so contact Russell on 93742624 if you are interested.

The choice of Synclay courts from A.S.Lodge have been well received by members (no bagging and watering after every set) and the compliments from visiting teams is gratifying.

Our club now has its own website and it can be reached on

[www.stvincentstennisclub.com.au](http://www.stvincentstennisclub.com.au)

More news and information about the club can be found there.
